

KINGDOM OF FIFE ORIENTEERS

Membership Fees 2011 (Club SOA BOF)

There are two levels of membership within British Orienteering, Local British Orienteering Membership (LBM) and National British Orienteering Membership (NBM). To determine which level of membership you require you need to consider, how far you travel to compete, the type of competitions you want to take part in and how frequently you orienteer. Any Orienteer who competes in more than 3 events will begin to save money by joining British Orienteering, as members receive discount entry at events. Which events you receive a discount will be determined by your level of membership and your Club's location. You could choose to join British Orienteering as a Senior (21 or over), Junior (20 or under), or as a Family (Parents/Guardians of young persons under 25).

Benefits of becoming a Local Member of British Orienteering

- Insurance cover (Liability to 3rd Parties) at events registered with British Orienteering
- Bi-Annual newsletter
- Eligibility to compete in the JK, national, regional and district events.
- Discounted entry to regional and district events in your club's region (SOA).
- Papers and vote at the British Orienteering AGM.
- Discount from national companies through the member benefits scheme.
- Access to national badge scheme.

Benefits of becoming a National Member of British Orienteering (All local benefits above and :-)

- Access to ranking scheme.
- Quarterly issue of British Orienteering magazine, Focus, and for juniors, 3 copies of the junior magazine, Route Choice#5.
- Eligibility to compete in the British Championships.
- Discounted entry to the JK, national, regional and district events in all regions.
- Opportunity to qualify to represent your country at international competitions.
